

Want to control your irrigation costs?

Get a WaterSmart Checkup and find out how.

A WaterSmart Checkup is your free opportunity to receive site-specific water-saving recommendations. You will benefit from the perspective of our certified irrigation professionals. And you decide if and when to put the suggestions to work.

We offer several different Checkup services and will match your property to the best available option. Participation is limited, so don't miss out. If you own or manage a commercial, multifamily, industrial, public or single-family property, apply today.

Single-family home checkups also include recommendations to increase indoor water-use efficiency.

1. Complete an **easy application** at www.watersmartcheckup.org.
2. **We schedule** an irrigation survey (site walk-through) for approved applicants.
3. We provide **observations, recommendations,** and if applicable, **test results.**
4. **You choose** what you will implement and when. There's **no obligation.**
5. **Start saving!** Although water-savings varies by property, you may save up to 20 percent or more.

- ✓ Free.
- ✓ No obligation.
- ✓ Site-specific recommendations.
- ✓ Prepare for seasonal irrigation changes.

Apply today. Participation is limited.
